

REMARKS/ARGUMENTS

Claim 23 is amended. Claims 1, 3, 5-16, 19, 21-23, 25-29, 33-37 are pending and under consideration with entry of this Amendment.

Prior to this amendment, the term "solid support" in claim 23 lacked antecedent basis. This is corrected by the current amendment. Entry of this amendment is respectfully urged since it merely cures a formal defect in one of the claims and does not affect the merits.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Matthew E. Hinsch', is written over the text 'Respectfully submitted,'.
